HRT Content Guidelines

This HRT Content Policy ("Policy") applies to all "Content," which for purposes of this Policy includes, but is not limited to, audio-only simulcasts of any programming, radio station(s), digital audio channel(s), podcast(s), video(s), images, articles, blogs, and/or comments that may be presented, portrayed, depicted, published, or posted via any website, mobile application, Smart-TV application, smart speaker application, OTT application, and/or other online video service.

Any content that (i) violates HRT's website and digital terms of use (<https://hrtradio.com/terms-and-conditions/>); (ii) violates HRT's privacy policy (<https://hrtradio.com/privacy-policy/>); or (iii) is and/or may be unlawful may be removed by HRT at its sole discretion.

In HRT's sole and absolute discretion, content that is challenged by reliable sources may be deleted or tagged to reflect the controversy.

All Content on the Services is not subject to the same standard of evaluation by HRT, which is free to treat any Content however it sees fit.

HRT Content Guidelines

Infringing. The rights of others, including but not limited to intellectual property rights (such as copyright, trademark, patent, etc.) and/or rights to privacy or publicity, must not be infringed upon or violated by content.

Libelous, defamatory, obscene, violent, abusive, threatening, harassing, or discriminating material is not permitted.
Disinformation.

Content cannot jeopardize political, policymaking, or legal processes, public health or security, or the health or safety of individuals. It also cannot be verifiably untrue, misleading, or deceptive to the public.

Harmful or unacceptable content-The content must not explicitly or substantially incite people to self-harm, commit suicide, engage in criminal behavior, or do anything else that could have a negative or dangerous effect.

Hate Speech or Hate Content cannot advocate for or incite hatred or violence against any group or individual based on their race, culture, religion, gender identity, sex, ethnicity, nationality, sexual orientation, veteran status, or disability, nor can it express or materially promote prejudice against that group or individual.

HRT Content Guidelines

The laws, statutes, and regulations of any nations or regions in which the Content is transmitted must not be explicitly violated and/or materially encouraged by the Content to be violated by others.

Spam. Spam, phishing, and other similar content are not permitted in the content.
